ing, making altogether about thre

thousand feet of new covered prome nade. About one hundred yards dis

tant is the new ball-room, where the "votaries of Terpischore," by the in

spiring strains of the music every evening, trip the light fantastic. At the margin of the French Broad are the bath houses, wherein are pools, in the midst of which bubble up with considerable force and uniomited quantity, of clear, mineral and electric water, with a temperature of about 100 degrees Fahrenheit. Nearthewarm spring, used for drinking purposes, is 750 Guld and Silver 1 r. Hu a cold sulphurspring with a strong odor. The ground used for pleasure and innocent amusements, contains from 1 to 20 acres. Here, having enjoyed a good degree of the internal and external sources of comfort and pleasure, we say adien, as we up stream along the banks of the dashing spling rock-bedded French Broad, and ere we lose sight of the bridge spanming the river in front of the Hotel, ors most be a we pass round the base of an overhanging rock (perhaps 150 feet high) known in traditionary story as the point from which a love-sick Ind eaped into the angry waters below hence the name of "Lover's Leap. Wending our way at the rapid rate of three miles per hour, we had amy time of course to "see a view" sometimes in minature to 'view a s Hark! a familiar sound greets our ear 'Tis the musical notes of a pack of deer hounds. Here he comes, a swift footed double rigged mountain buck, bounding over rock and chasms-on grand leap sets his buckship across th narrow road, and as if to clude yelling pursuers he plunged into the roaring current, seeming to say-Farewell old hound don't better me I know this route full me Along this route, many points of river and mountain receivery must be seen to be appreciated, such as contour a single parties of Members

Along the margin of the river the pathway for the iron horse has already been marked out and partially graded, decaying monument, erected to the never to be forgotten disappointment inflicted by Swepson, Littlefield & Co And, by the way, we would suggest, that if the Wilmington Coast Railway Company, are not supplied with cross-ties, here is a chance for material already for the road bed, as doubtless, sale may be made on accomodating terms, especially with some of these old mountaineers who have not yet quit cursing a "little." In due time, we reach the village of Marshall, 16 miles above the Springs. Here is the county seat of Madison. This little town has a limited appearance, not much chance to spread, as as the rocky steps on one side, and the river on the other seem to say-"thus far and no farther," except over on the island containing from four to six acres, on which stand a church building and a few private residences. Farther up stream we come to the well known resting place, ten miles from Asheville, where Mr. Alexander still serves his guests with the best on the market. From here to Asheville the traveller get somewhat tired of scenery; sufficiently amused with

rocks and the many impending roc

certain, the less aspiring hills are preparing for a $pu\beta$, at either end of a agent has had such a wade spread safe or give At Asheville we are greeted by the polite hotelist (of the Eagle house); refreshments are enjoyed, and we continue and drive described by the materials, and with a circ first meaters. valley—with the river on one side and while it so a most effective tensety for paris, valley-with the river on one side and valley—with the river on one side and chains of mountains on the other.

The overhanging clouds soon darken the rays of the sun and the vivid flash of lightning followed by the almost perpetual roar of thunder, with peal upon peal, soon gave information that upon peal, soon gave information that we are out in a mountain storm. The | ng the most unqualmed testimenals to gentle, placid stream of the beautiful virtue, from persons of the highest character Swananoa, "nymph of beauty" now dashing madly along its banks, with its waters impregnated with mountain clay, would have you believe that we've listened with credulity to the whispers of fancy, in calling it beautiful. From a small quiet stream we now behold a dashing, rapid river. Leaving the valley, we reached the For Conmountain, first a feg, then a heavy mist, when on the top of the Swananoa mountain we wash our hands in the clouds, cross the Biue Ridge, and with a farewell to "ye mountains of North Carolina," journey towards Old Fort.

ShillibY, Cleaveland County, N. C Rev. S. R. TRAWICK, A. M., Principal. Mrs Britis V. Trawick, Teacher of Music and Ornamentals. other competent teachers supplied as needed.
The Fall term of 20 weeks will begin August 4th, 1814. A thorough English course—Mathematics, Intellectual and Natural Sciences, Latin, Greek, French, Music on Plano and various Ornamentals.

Lath, Greek, French, Music on Fiano and various Ornamentals.

The entire expenses per term, including board, in the regular course, \$10. Music and instrument for practice \$23.

The many mineral springs, the pure mountain air, the good society, the remoteness from needless extravagance, make Shelby a most delightful locality for a school.

The Seminary has a department for young ladies, and one for young men—each conducted in the most approved style. Young ladies, and one the principal in the Seminary, houng man will board in the town. Board bills and half the tuition payable in advance,

THIS INSTITUTION is situated in the Western part of Rubeson county in the immediate vicinity of Ashpole (Presbyterief) (thorch, twelve miles distant from Red Banks Depot, on the Carolina Centual Railway, near the dividing line between North and South Carolina and twenty miles west of Lumberton. The first sension of this school will commence on Monday, August 3d. The scholarit year is divided into two sessions of twenty weeks each. each.
The Directors have engaged, as Principal,
Mr. Hamilton McMillan, a graduate of the
North Carolina University, and of many years
successful experience as a Teach r. The school is designed to be permanent and no expense will be spared in rendering it, in every respect, a first class Institution. Students will be subject to strict discipline, and will receive a thorough course of instruction Rates of I nition per session of twenty weeks One half of Tuition in seivance, the remain der at the close of the session. Good board convenient to the Academy at Ten Dollars per month. For further particulars, apply to the undersigned, Secretary of the Board of Directors, at Red Banks P. O., Robeson county, N. C.
